

PRODUCT SPECIFICATION SHEET

FIRE PROTECTION FIRE AND ACOUSTIC SWITCH AND SOCKET BOX COVERS

MODEL REFERENCE

- AFA1** – Single socket and switch cover for recessed dry lining boxes
- AFA2** – Double socket and switch cover for recessed dry lining boxes

- Designed to comply with the requirements of Building Regulations, Document B & E and IEE Regulations, BS7671.
- Tested to the requirements of BS 476: Pt.20 in an uninsulated plasterboard wall construction for 120 minutes, without failure in either insulation or integrity, by Chiltern Fire International. Test report reference: Chilt/IF07001 and Chilt/IF07015.
- Tested for acoustic performance to requirements of Building Regulations Document E by BRE to BS EN ISO 140-3:1995. Test report reference: 237429.
- In a fire situation the material expands internally forming a fire resistant and highly insulating char to stop fire, heat and smoke from penetrating the wall void, so minimising the risk of unseen fire spread to flammable structural members and/or from one compartment to another in the building.
- Provides an effective acoustic barrier to airborne sound when fitted to a construction meeting the requirements of Building Regulations Document E.
- The covers are pre-formed to fit all commonly used single and double boxes.
- Covers fit in seconds by a simple mechanical fixing; no adhesives, screws, moulding to shape or additional support is required.
- Can be used in one-off applications, or where boxes are installed back-to-back in uninsulated walls.
- Can be retro-fitted to existing installations or fitted during wall construction.
- Switch/socket box can be removed/replaced without disturbing the cover.
- Installer can thread cables under the covers, or can easily make suitable holes in the material for cable run requirements.
- Non-toxic – CFC's and HFC's are not used in the manufacture of these products.
- No maintenance required.
- Rot proof - unaffected by moisture.
- External Dimensions:

AFA1 – 140mm x 140mm x 50mm deep.

AFA2 – 140 mm x 215mm x 50mm deep.
