

# Application Note (AN17 Rev1)

## Triggering low frequency sounds and Voice Alarm For the elderly, hard of hearing or children

Ei Electronics Alarms with RF communication can be used to trigger sounders and voice modules using an Ei428 Relay module

The following is an installation example of how this can be done

### Sounder with voice module examples

#### Red User Recordable Voice Alarm, 110dB, 24 V dc

RS Stock No.: 772-0786 | Mfr. Part No.: A105NAPPXDC024R-UL | Manufacturer: e2s

#### Red User Recordable / Pre-recorded Voice Alarm, 110dB, 24 V dc

RS Stock No.: 454-432 | Mfr. Part No.: PNV-0006 | Manufacturer: Klaxon
